The Police Christian Support Network is delighted to introduce its second ever conference.

It's with a great deal of excitement that I commend Priority One 2010 conference to you. It is sure to be a time that will powerfully inspire us, drawing us towards each other and God, through speakers, worship,

workshops and friendships old and new. Last year's inaugural conference was so compelling, full of encouragement, challenge and the power of God's presence amongst us.

Priority One 2010 will help equip you to face the many challenges of policing, re-ignite a vision of God's call on your life, and encourage and strengthen you to be salt and light in our world. Whatever your role in Police, and whether you're strong in the faith, struggling or unsure, Priority One 2010 is for you. Even though attending will be costly to many, the pay back will be the grace and truth invested in our personal and policing lives, and knowing and seeing more of God's kingdom at work around us, and through us. This year's conference will have extra depth to it with spouses being most welcome as full participants. Please encourage each other to come. Get that road trip organized!

KEYNOTE SPEAKERS

ROB HARLEY – Journalist, NZ

Rob Harley is one of New Zealand's busiest documentary-makers. Rob spent more than 26 years working in TV news and current affairs before moving out into the world of communications consultancy. In recent years, Rob has branched out into more intensive television production, developing a series called "Extreme Close Up" – which ran for three seasons on TV One, featuring stories about people overcoming adversity through personal belief. His particular passion is working on behalf of aid agencies, making documentaries and promotional material to help raise the profile of these agencies and their work among the poor. Rob's ability to tell stories and weave pictures of ordinary people doing extraordinary things is motivational and inspirational.

GARY RAYMOND APM, OAM
Chief Inspector (Ret.), New South Wales Police

Gary received numerous commendations and citations in his 33 year career, many for acts of bravery during rescue, suicide negotiation and armed offender incidents. His passion is telling people about the way Jesus rescued him by forgiving his sin and healing the trauma that was dumped on him during his many police rescue operations.

JUDGE ANDREW BECROFT BA, LLB (Hons)
Principal Youth Court Judge, NZ

Judge Andrew Becroft was appointed Principal Youth Court Judge in June 2001. He is a current editor of Lexis Nexis Transport Law, is the Patron of the New Zealand Speak Easy Association Inc., which assists those with various forms of speech impediment and is the Chairperson of the Board of the Tertiary Students Christian Fellowship (NZ) Inc. Judge Becroft is a keen sports watcher (but an average participant), and a passionate supporter of the Hurricanes and the Black Caps. He is a strong advocate of youth issues.

JON MCKENZIE – Detective, Whakatane

In Jon's 20 years of policing God has taught him to love the unlovely, to give hope to the hopeless and help to the helpless. He believes as Police we have an incredible and unique opportunity to make real differences to the communities we live in and the individuals we deal with daily. One of his greatest privileges is sitting with an offender and sharing his faith, offering hope, showing grace, providing real help, or being an advocate, but always trying to be as Christ and sharing His love.
